

Soundfront

SOUNDFRONT

Soundfront homes are perfect for those who enjoy water activities such as boating, wake boarding, crabbing and kayaking. Most soundfront homes have private piers and great views of the Intercoastal Waterway. If not specified, most piers accommodate only shallow draft boats. Even though located on the Bogue Soundside of Emerald Drive, most homes are still within walking distance to the beach access.

PRIVATE ISLAND

Vacation on your own 32 acre island called Sand Island Refuge. Imagine yourself on this unspoiled deserted island away from the rat race of normal life but with the comforts of home. Eco-friendly, this vacation getaway is solar powered. It was built in 1998 with hardwood floors throughout the house. Nearby is Bear Island, a nature park with pristine beaches, untouched maritime forest and towering sand dunes it provides for a real adventure. No Roads! No Concessions, a nature lover's paradise!
